

## **Your Spiritual Home: Making the World a Better Place**

### **Nature and Affirmative Prayer Workshop**

**Bring a friend & picnic lunch this Sunday, May 1st  
and stay to grow deeper in prayer & your connection with  
Nature with Naturalist, Anne Cederberg**

Experience a visceral connection with the All-that-Is, the Divine Mind, by connecting with Nature. Using the components of Affirmative Prayer, Anne skillfully leads participants through nature connecting activities that embody each stage of prayer. This process culminates with a deeply sacred ceremony and prayer.

**Suggested:** folding chair, water bottle, hat or sunscreen. Participants are welcome to bring picnic lunch to eat before workshop begins.
